

## Apprenticeship Explained

### What is apprenticeship?

Apprenticeship is the process of skills training whereby the student (apprentice) receives certification through a combination of on-the-job and in-class training. Apprentices typically spend 85% of their time learning outside of the classroom in a paid position. Search Saskatchewan Apprenticeship for more info.

### Saskatchewan Youth Apprenticeship program (SYA)

Explore the skilled trades and receive advanced standing as an apprentice. Students complete 12 challenges
